**COUNTERFEIT,
FRAUDULENT AND SUSPECT ITEMS
(CFSI)**

At Connect It safety is our overriding priority. we regard the co-operation of our supply chain throughout the tiers as essential to maintain the highest standards for all the goods we install and services we supply.

We understand the potential risks concerning the supply of Counterfeit, Fraudulent and Suspect Items (CFSI) within the supply chain, and to this end, we only select suppliers that can demonstrate the quality and source of the goods that we require.

All colleagues involved in the purchase of goods have been informed about the potential for CFSI and have been advised that all goods must be purchased directly from the manufacturers specified by the client or from agreed and official distribution channels.
